

THE ORACLE INSTITUTE

An Advocate for Peace and a Vanguard for Conscious Evolution

The **Valley of Light** is a sustainable spiritual community founded by **The Oracle Institute**, a 501(c)(3) educational charity. The mission of our micro-community is to create a model of 21st Century living. We seek cultural creatives who wish to join our incubator experiment and be surrounded and inspired by Second Tier individuals on the **Spectrum of Consciousness** who are ready to build the new world.

The Valley of Light will focus on all **Sectors of Society**, like the Federation of Damanhur in Italy, the most advanced intentional community on the planet. We are looking for hearty souls who understand the many unprecedented factors contributing to this turbulent time: global warming; food and water shortages; pandemic indicators; energy and economic abuses; and a total lack of visionary leadership by our political and business leaders. We wish to co-create a new way of living based on compassion, cooperation, and the interconnectedness of all life.

The Valley of Light shares the **Oracle Campus**, which boasts 22 acres along the New River, the oldest river in the world. Winding through the Blue Ridge Mountains, the river forms fertile valleys. Our community is in Grayson County, Virginia, whose motto is “**Protector of Nature.**”

Within this pristine setting rests the **Peace Pentagon** – our retreat and community center. It is both a symbol for our mission and a juxtaposition to the War Pentagon located along the Potomac River in northern Virginia.

In addition, the campus contains three houses, a campground, and six building pads for new members. Infrastructure exists throughout the community (i.e., roads, wells, septic fields), and we are debt free! Currently, we seek members with skills and financial resources to enhance our community – people who understand and are equipped to handle the profound challenges of this critical juncture of history. If you feel called to join the Valley of Light, we invite you to visit and apply for membership.
